

Celebrating 30 Years of Caring for Our Community

Dear Patients,

This year marks a very special milestone for our practice—30 years of serving our community.

Since Dr. Bruce Chung founded our practice in 1996, our mission has remained the same: to provide compassionate, high-quality medical care while building lasting relationships with the patients and families who place their trust in us.

As we celebrate this anniversary, we want to express our heartfelt gratitude to you. Whether you have been with us since the beginning or have joined our practice more recently, you have been an important part of our journey. It has been our privilege to care for you and your loved ones through all stages of life.

Over the past three decades, our practice has grown from a single physician office into a dedicated team of four physicians and two physician assistants. While much has changed in healthcare, one thing has remained constant—our commitment to treating every patient with respect, compassion, and personalized attention.

We are honored that you have entrusted us with your healthcare needs. Your loyalty, support, and confidence in our team have allowed us to reach this milestone, and we do not take that trust for granted.

As we look to the future, we remain committed to providing exceptional care and continuing to serve our community for many years to come.

Thank you for allowing us to be part of your healthcare journey. We are grateful for the opportunity to care for you and your families, and we look forward to many more years together.

With sincere appreciation,

Bruce Chung, MD

Karthik Karibandi, MD

Jessica Solis, MD
